The Ministry of Foreign Affairs and East African Cooperation of the United Republic of Tanzania presents its compliments to all Diplomatic and Consular Missions and International Organizations accredited to the United Republic of Tanzania and has the honour to communicate the following:

The Ministry of Health of the United Republic of Tanzania has issued Travel Advisory No. 11 of 08th September, 2022 (The Travel Advisory is hereby attached). The Advisory came into force from 15th September, 2022.

The Ministry of Foreign Affairs and East African Cooperation of the United Republic of Tanzania avails itself of this opportunity to renew to all Diplomatic and Consular Missions and International Organizations accredited to the United Republic of Tanzania the assurances of its highest consideration.

Dodoma: 17th September, 2022

All Diplomatic, Consular Missions and
International Organizations accredited to the
United Republic of Tanzania,
DAR ES SALAAM.

THE UNITED REPUBLIC OF TANZANIA

TRAVEL ADVISORY NO. 11 OF 08TH SEPTEMBER, 2022

The Government of the United Republic of Tanzania (URT) through the Ministry responsible for Health continues to enhance prevailing preventive measures against the spread of COVID-19 including those related to international travel. In view of the current trend of COVID 19 globally, the Government is updating Travel Advisory No. 10 of 16th March, 2022 of Tanzania Mainland to version No. 11, effective from 15th September, 2022 to accommodate measures as follows:

1. Travelers entering URT including Tanzanians, returning residents, truck drivers/crew and those in transit through land borders who are;
 - a. Fully vaccinated¹ will be exempted from both RT PCR and Rapid Antigen Test requirements. Travelers will be required to present a valid vaccination certificate with QR code for verification upon arrival. The only accepted vaccines are those which have been approved by the URT and the World Health Organization.
 - b. Not fully vaccinated, unvaccinated and those not eligible for vaccination due to their country policies will be required to present a negative COVID-19 RT- PCR or NAATs certificate with QR code obtained within 72 hours before departure.
 - c. Not fully vaccinated, unvaccinated and those not eligible for vaccination due to their country policies and have no negative COVID-19 RT- PCR certificate will be tested for COVID 19 upon arrival using a Rapid Antigen Test at their own cost of TZS 23,000 (10 USD) for Tanzania Mainland except children aged 12 years and below and aircraft crew. Positive cases will be further confirmed by RT- PCR at a cost of 50 USD. For ground crossings, positive cases will be handled according to Bilateral and Joint Border agreements.
2. Travelers in transit by air transport are exempted from both vaccination and COVID 19 testing requirements unless stated otherwise by the conveyance to be used or countries of their final destinations.
3. All departing travelers are advised to seek information prior to departure from their travel agents regarding COVID-19 requirements of their country of destination or conveyance to be used.

In case of any medical emergency while in the URT, please call Toll Free Health Emergency Number: 199 for Tanzania Mainland.

NB: The Travel Advisory will be reviewed from time to time as need arises.
